Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including contract sellers, shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership. Class A. Class A members shall be all those Owners as defined in Article II with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Article II. When more than one person holds such interest in any Lot, all such

Class B: The Class B member shall be the Declarant. The Class B member shall be entitled to four (4) votes for each Lot in which it holds the interest required for membership by Article II, provided that the Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When the total votes outstanding in the Class A membership equal twice the total votes outstanding in the Class B membership, provided there are at least two hundred seventy-five (275) Class A memberships outstanding, or

(b) On January 1, 1976.

#### ARTICLE IV PROPERTY RIGHTS

Section 1. Members' Easements of Enjoyment. Every member shall have a right and easement of enjoyment in and to the Common Area and such easement shall be appurtenant to and shall pass with the title to every assessed Lot, subject to the following provisions:

(a) The right of the Association to limit the number of guests of members;

(b) The right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area;

(c) The right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Area and facilities and in aid thereof to mortgage said property and to acquire property encumbered by deed or deeds of trust securing improvements on said property.

(d) The right of the Association to suspend the voting rights and right to use of the recreational facilities by a member for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed ninety (90) days for any infraction of its published rules and regulations;

(e) The right of the Association at any time or upon dissolution to dedicate or transfer, subject to approval of the Fairfax County Planning Engineer or his successor, all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3) of the votes of the Class A membership and two-thirds (2/3) of the votes of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than sixty (60) days in advance.

Section 2. Delegation of Use. Any member may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

Section 3. Title to the Common Area. The Declarant hereby covenants for itself, its heirs and assigns, that it will convey fee simple title to the Common Area to the Association.

ARTICLE V  
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the above-mentioned properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association:

(a) Annual assessments or charges, and

(b) Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Properties and in particular for the payment of taxes and improvements and maintenance of services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area.

Section 3. Basis and Maximum of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Thirty-Five Dollars (\$35) per lot for lots other than those owned by the Declarant and Ten Dollars (\$10) per lot for lots owned by the Declarant.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index (published by the Department of Labor, Washington, D.C.) for the year ending the preceding July 1.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above that established by the Consumer Price Index formula by a vote of the members for the next succeeding five years and at the end of each such period of three years, for each succeeding period of three years, provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that

year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, except as provided in Section 3 of this Article.

Section 6. Quorum for any Action Authorized Under Sections 3 and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth in Sections 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to an Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of the payment of any assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of six (6) percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lien of the foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter become due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein: (a) all properties dedicated to and accepted by a local public

authority; (b) the Common Area; and (c) all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Virginia. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VI  
ARCHITECTURAL CONTROL

No building, fence, wall, antenna, swimming pool or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within the thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII

Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
